FLINT'S FINE FURNITURE

DRAPERY STUDIES IN LINE AND COLOR

Our warerooms remind one of the fifteenth century times, when cities decked themselves with hangings and storied tapestries to receive a conquering General or Prince.

The walls are lined with hangings of exceptional beauty—quaintscened Flemish Tapestries, vistas of landscape in the background, and colors softened and blended with a dexterity never surpassed. The glorious collection of Persian and Turkish Rugs, wonderful examples of the velvety surface and pronounced, yet perfectly toned design so dear to the heart

of the Oriental rug-lover. Cozy corners, with India and Moorish hangings, draped in various fashions, giving ideas in arranging flowing and beautiful

lines, as well as in color. Nooks in Chippendale, Vene-tisn and Old English ideas are here for every visitor.

Concerning Cut Glass. You buy here elegant pieces of crystal with perfect artistic cutting at less than dealers pay for the same at wholesale. The reason is simple and clear. It has been stated before—some of the best glass cutting concerns have not enough normal business to run the entire year. To keep their business continuous they take our orders at the cost of the blanks (uncut pieces) and the labor. The public gets the goods on the same conditions. The collection contains only the best crystal glass.
